SCOPE AND LIMITATIONS

This report confirms legal existence, active registration status, and legitimacy with Japanese authorities as of the certificate date only.

This report does not include:

- Director appointment and resignation history
- Sanctions or PEP screening
- Financial due diligence or credit data
- Beneficial ownership analysis
- Adverse media search

For enhanced due diligence including full director history, sanctions screening, and analyst intelligence notes — see the Enhanced Report (\$349) at japankyb.com/pricing

APPENDIX A – ORIGINAL CERTIFIED DOCUMENT

In all paid reports, the original certified 履歴事項全部証明書 issued by the Legal Affairs Bureau is attached here as a scanned PDF appendix. The document bears the official government seal (公印) of the issuing registrar and is suitable for regulatory submission and audit files.

Note: In this sample report, the original document is not included. Real reports always include the certified primary source document.
